KANIKA SINGH

SUMMARY

Motivated and results-driven Computer Science student with a strong command of Python, JavaScript, and the MERN stack. Demonstrated expertise in developing scalable, user-centric web applications. Passionate about solving complex challenges using Data Structures and Algorithms, with a keen interest in continuous learning and growth. Eager to leverage my skills in a dynamic environment to drive innovation and contribute to impactful projects.

WORK EXPERIENCE

Software Developer Intern

Smart Internz (Remote) - Muzaffarnagar
Jul 2024 - Sept 2024

- Contributed to a platform that provides students with internships, professional training, career guidance, and mentorship.
- Engineered secure and scalable server-side applications using Node.js and MongoDB.
- Managed authentication, data processing, and third-party integrations, enhancing application efficiency and security.

PROJECTS

Portfolio Website

- Created a responsive personal portfolio using Tailwind CSS and React.js to showcase web development projects.
- Optimized website performance, achieving faster load times and better user engagement.
- Deployed the site via Vercel, ensuring a seamless user experience..
- PORTFOLIO

Social-media Application

- Developed a full-fledged social media platform using the MERN stack with a focus on user authentication and real-time chat functionality.
- Integrated intuitive navigation and performance analytics to enhance user satisfaction.
- UNO

Morden Bank Application

- Designed a responsive banking application using React.js and Tailwind CSS, featuring an eye-catching hero section, high-quality assets, and reusable feature sections.
- Implemented call-to-action buttons and other UI elements to drive user interaction.
- HOOBANK

EDUCATION

Bachelor of Technology in Computer Science and Engineering
Bharat Institute of Technology, Meerut
Sept 2021 - June 2025

Intermediate
SFDAV Public School, Muzaffarnagar
April 2020 - May 2021 | CGPA: 8.9

SKILLS

- **Programming Languages:** JavaScript, HTML, CSS, Python, C
- **Frameworks & Libraries:** React.js, Node.js
- **Databases:** MongoDB
- **Tools/Software:** Git, GitHub, Visual Studio Code, Thunder Client
- **Languages:** English (Fluent), Hindi (Fluent)

CERTIFICATIONS

- **Cyber Security** - ICT Academy.
- **MongoDB Node.js Developer Path -** MongoDB in collaboration with Smart Bridge.
- **Communication and Presenting Skills -** TCS iON
- **AWSome Day Conference** - AWS

INTERESTS

- Web Development
- Open Source Contribution
- Problem Solving (DSA)
